

18th - 24th Birthdays - Terms and Conditions

We would love to host your very well-behaved birthday on board **Tamesis Dock** or the **Battersea Barge**. There are a few boat rules, so that we do not have to make you walk the plank.

We allow 18th - 24th Birthday Parties on board from Mondays - Wednesdays & Sundays, as well as all daytimes until 6.30pm.

For hire of the Lower Deck, we require a hire fee of £295 + security (for whole boat hires, please ask).

Security:

£30 per hour per security. Minimum 4 hours.

Tamesis Dock: end time 1:00am daily (last orders and music must stop at 12.40am, with 20 minutes to finish up & exit quietly by 1.00am as there are locals nearby).

Battersea Barge: end time 11.30pm Sunday - Thursday and 12:30am Friday & Saturday.

- 1 security guard will be needed for under 80 guests
- 2 security guards will be needed for all 18th & 19th birthdays with over 80 guests or where any under 18-year-olds are present.

We allow a maximum of 5 guests aged 16-18. They MUST leave the boat by 9.00pm. We must know in advance how many under 18s might be present.

The purpose of security will be to do the following:

- Check bags
- Check Identification
- Monitor and Patrol the premises
- Assist with the termination of a party if our license is being threatened

In the event that we find any of the below, this may result in the individual being asked to leave or potential early termination of the party:

- Underage drinking
- Possession of alcohol not purchased on site
- Excessive noise
- Abuse
- Loss or damage to property
- Any illegal activity

22nd - 24th birthdays will be treated individually at our discretion.
